- Once your child is on solids, he/she will have a more structured feeding and napping schedule, to help ease in adapting to his/her developmental needs, as well as keeping more time for developmental skills.
- Let us know your preference in terms of how many bottles you want your baby to have, and with which meal.
- If your child is hungry, sleeping, or waiting their turn, the feeding time may be **adjusted up to ±25 minutes**.
- Remember, solids will always be **served before milk/formula**.
- Indicate if you like the food to be fed in any particular order, and/or combination, or any other special requirement.
